

CURRICULUM VITAE

Sevda Sarikaya, M.D.

Assistant Professor of Neurology

Current Position:

Private Practice
İstanbul, Turkey October 2014-

Employment History

Lecturer: **Yeditepe University**
İstanbul, Turkey, September 2013-2015
Part-time

Attending Neurologist: **Beykoz Kavacık Medistate Hospital, İstanbul, Turkey**
Neurology Unit
İstanbul, Turkey January 2013-July 2013

Attending Neurologist: **TDV 29 Mayıs Hospital, Ankara, Turkey**
Neurology Unit
Behavioral Neuroscience and Movement Disorders
Ankara, Turkey March 2011- October 2012

Attending Neurologist: **NP İstanbul , İstanbul, Turkey**
Neurology Unit
İstanbul, Turkey October 2010- February 2011

Faculty Position, **Gaziosmanpasa University Medical Faculty, Tokat, Turkey**

Department of Neurology
Tokat, Turkey December, 2007-September 2010

Attending Neurologist, **Tokat State Hospital, Tokat, Turkey**
Neurology Unit
Tokat, Turkey April, 2006-December, 2007

Education and Training

Clinical Observer, **Hennepin County Medical Center Huntington's Disease Clinic, Struthers Parkinson's Center, Minnesota, USA**
Minnesota, USA December, 2009-June, 2010

Residency, **Ankara University Medical Faculty, Ankara, Turkey**
Department of Neurology
Ankara, Turkey June, 2001-December, 2005

MD, Istanbul University, Cerrahpasa Medical Faculty, Istanbul, Turkey
Istanbul, Turkey October 1994-June 2000

Professional Organizations:

Turkish Society of Neurology
Turkish Alzheimer Society & Foundation

Primary Interests and Experience in Neurology

Rotations focused on Dementia and Movement Disorders clinics during residency at Ankara University Medical School.

Faculty at Gaziosmanpasa University Hospital in Turkey, 2007-2010, with clinical workload focusing on dementia and movement disorders.

Staff neurologist primarily involved with behavioral neuroscience and movement disorders during private practice experience in Ankara and currently in Istanbul.

Various Research Projects Involved:

Effects of Memantine On Behavioral Symptoms of Alzheimer Disease. A Multicentric Study

Primary investigator: Murat Emre, Prof. of Neurology (Department of Neurology, Istanbul University School of Medicine, Istanbul, Turkey)

Hidradenitis Suppurativa as a Precursor Lesion in Presymptomatic Carriers: Report of a Turkish Kindred

Primary investigator: Sevda Sarikaya, Assis. Prof. of Neurology (Department of Neurology, Gaziosmanpasa University School of Medicine, Tokat, Turkey) (Article in preparation).

Cerebellar Ataxia, Deafness and Narcolepsy in a Turkish Family

Primary investigator: Sevda Sarikaya, Assis. Prof. of Neurology (Department of Neurology, Gaziosmanpasa University School of Medicine, Tokat, Turkey) (Research in progress)

Cognitive Changes in Subjects With Retrocerebellar Arachnoid Cyst

Primary investigator: Sevda Sarikaya, Assis. Prof. of Neurology (Department of Neurology, Gaziosmanpasa University School of Medicine, Tokat, Turkey) (Research in progress)

Follow-up of Contrast Enhancement in MRI of Peripheral Facial Paralysis

Primary investigator: Basar Sarikaya, Assis. Prof. of Radiology (Department of Radiology, Gaziosmanpasa University School of Medicine, Tokat, Turkey) (Article in preparation).

Subtracted CT Angiography of the Intracranial Vessels

Primary investigator: Basar Sarikaya, Assis. Prof. of Radiology (Department of Radiology, Gaziosmanpasa University School of Medicine, Tokat, Turkey). **(Preliminary report of this study was published in Diagnostic and Interventional Radiology)**

Comparison of Cooled and Conventional Hand-Wrist Splints in Patients with Carpal Tunnel Syndrome

Primary investigator: Sevda Sarikaya, Assis. Prof. of Neurology (Department of Neurology, Gaziosmanpasa University School of Medicine, Tokat, Turkey)
